

STOLTZ SUED FOR \$10,000 DAMAGES

Woman Asserts Reckless Driving Was Cause of Permanent Injuries.

Dr. Charles Stoltz, South Bend physician and surgeon, is made the defendant in a \$10,000 damage suit filed by Florence E. Dinan in superior court Thursday. The plaintiff alleges that she was bruised and permanently injured when knocked down by Stoltz's car Nov. 18, at Lafayette st. and Lincoln way W. She also asserts that the defendant was driving his car 30 miles an hour when the accident occurred and that he was on the wrong side of the street.

The plaintiff says in her complaint that she was bruised about the body, that her ankle was cut, and that her face, neck and body were severely bruised. According to her affidavit, her earning power was reduced materially, and the accident has left her in a nervous and disabled condition.
